

Markerboard Selection Guide

Committed to bringing you the best, Demco provides high-quality markerboards in numerous options and sizes. Use this guide to find the perfect board for your space and your budget.

Porcelain

The most durable surface, porcelain is highly scratch-resistant and eliminates marker ghosting. Long lasting and ideal for heavy-use environments.

Product	Magnetic	Map Rail	Includes Markers	Years of Use	Key Features
Best-Rite® Porcelain Markerboards	X	X		50	Protective end caps on tray.
Demco® Elite Porcelain Markerboards	X	X	X	50	Great color contrast and erasability. Value-priced option.
Claridge® Trimline Porcelain Markerboards	X			50	Low gloss surface ideal for projecting. Takes up less wall space.
